NASA AWARDS INSTITUTIONAL CONTRACT TO CUBE CORP.

CUBE Corp., Sterling, VA, has been awarded a contract to provide institutional services at the NASA Goddard Space Flight Center's Wallops Flight Facility, Wallops Island, VA. The pact is a performance-based, cost-plus-incentive-fee, award-term contract. The total contract value is \$156.6 million over a possible 10-year period. An additional sum of up to \$60 million in task orders may be awarded during the life of the contract.

The work is to be performed at the Wallops Flight Facility and various off-site worldwide locations in support of Wallops projects. The contractor will provide the Wallops Flight Facility with all institutional services that support NASA, the Navy and other Wallops tenants and partners. Institutional services include, but are not limited to, janitorial service, security, facility maintenance, fire protection and grounds maintenance.
